# 90° Workstations Quad Cluster

Explore a multitude of possibilities with independent 90-degree clusters or linear workstations in various configurations. Customize your workspace with options for laminates, edge bands, screens, legs, and accessories. The provided image showcases Peanut shade laminate, mild steel powder-coated flat legs with perforation, and Elegant Droplet and Dumo fabric for reference. Consider adding metal or laminate modesty panels between workstations for enhanced bottom privacy.

# 120° Workstations Quad Cluster

Discover a spacious and dynamic workspace with our 120-degree Hex-Flex cluster workstation layout. Tailor your setup with options for various top sizes and curved profiles. Elevate your workspace aesthetic by alternating screen colours for unique combinations. Choose between a straight edge and our signature water-cut edge for a polished finish. Personalize your workstation further by specifying the position and material for metal flaps, optimized for monitor placement.

# Linear Storage Integration

Linear storages offer a range of practical features to meet your storage needs. Available in various heights, they can seamlessly integrate with your work desks or stand independently to accommodate your workspace layout. These storages can also double as comfortable seating with the addition of cushions. Customize access with finger grooves on the shutters and choose between key locks or number locks for security. For added convenience, inquire about our master key option, simplifying access management across your storage solutions.

# Height Adjustable Tables

Elevate your team's productivity with our Height-Adjustable Office Tables, designed for a more dynamic workspace. Seamlessly transition between sitting and standing positions with these tables, promoting ergonomic comfort and enhanced productivity. Customize your workspace with versatile configurations, allowing you to mix and match designs for independent workspaces or collaborative cluster set-ups. Tailor your tables further with optional screens and flaps, and for added convenience, consider integrating a wireless charger

# Tri -Flex Height Adjustable Tables

Meet the Tri Flex Table, a game-changer for modern workspaces. With its unique triangular configuration, it revolutionizes collaborative settings, encouraging inclusivity and open dialogue among team members. Its design seamlessly combines aesthetics with integrated cable management for an organized workspace. Highly adaptable, it accommodates various meeting styles and group sizes, making it an essential tool for boosting productivity and fostering creativity in today's fast-paced work environment.

# Meeting Tables

Transform your meeting space into a hub of creativity and collaboration with our Meeting Tables. Choose from various shapes and sizes, including circular, square, rectangular, amoeba, and triangular with curved corners. Specify your preferences for electrical integration, making it easy to power your devices during meetings. Seamlessly convert workstations with our drop-down screen option. Add character to your meeting room with a range of customizable colours and shades.
